FEATURES

A low cost ECR with full size ECR features. Appreciate the convenience of price look up's. PLU's track fast moving items with the assurance of accurate pricing. Accounting is a breeze with daily and period-to-date reports while hourly reporting helps you plan for busy or slow times.

Printer

The ERP-200 dot-matrix printer is programmable to select receipt or journal printing, prints at a rate of 3.2 lines per second and accepts either single or 2-ply standard 58mm (2-1/4") paper.

Department Keys

The Samsung ER-350 features 8 or 16 departments with 10 character alpha descriptors. + or - preset departments are available to price and count fast moving items. Departments may be designated 'single item' departments for fast registration of single item sales.

300 PLU's

Use the ER-350's price look ups (PLU's) to automatically price and track sales for up to 300 fast moving items.

Automatic Tax Calculation

The ER-350 features up to three tax tables and can be automatically added to each sale. Tax status can be shifted as items are entered, or at the completion of the sale. Department and PLU's can be programmed with a tax rate of tax 1, tax 2, or tax 3 or any combination of taxes.

Real Time Clock - Hourly Sales Reporting

The ER-350's real time clock automatically prints the time, changes the date and generates a sales by hour report detailing the net sales and customer count for each hour of the day.

Financial and Cash In Drawer Reports

The Samsung ER-350 gives you an easy-to-read and understand review of your business with a complete analysis of your department sales, function totals and actual drawer totals.

Period-To-Date Reports

The ER-350's period-to-date financial report provides a summary of daily reports for weekly, monthly or yearly analysis.
